Brenda Smith you're wrong beyond belief.  
It's hilarious how hard you're trying.

Brenda Smith it's actually spelled "naive". You should probably enable autocorrect on your phone if you wish to go about your life, attempting to slander someone's reputation.

Brenda Smith it's also very sad instead being a supportive grandmother you would rather slander someone online over something utterly untrue. They are very helpful and supportive people. Honestly the first people I would ever want my child around, with knowing whole heartedly that they would be safe and cared for.

Brenda Smith Omg you're still here?? Listen, boomer, not a single person on this thread gives an ounce of a fuck about what you have to say.

You came onto MY friends profile and decided to slander her husband. Also a very good friend of mine. That automatically means that I'm now involved. So, as of now, you have made yourself into public enemy #1. You continue to comment back to us as if we honestly have any other goal than to piss you off. Everything you've posted on here is SLANDER! Say it with me, peaches. S-L-A-N-D-E-R. Now, go away and do something productive with yourself instead of getting yourself dragged on Facebook. ❤️ Love and light, bitch. 🙄

Brenda Smith I cannot believe you ignored me. Disrespectful.

Just stop being a nosey cunt.

Dumb old geezer probably can't see problems past the end of you nose.

Ethan and Nikki are wonderful folks who would give up a lot for very little.

They spend zero time playing games with people's lives.

They merely seek the best for their friends through anything.

Your son is an abusive POS who doesn't deserve the kid time.

Go fuck yourself you dumb enabling boomer/gen xoomer.

I corrected it for you:

"Anyone looking at this man here who can't have his own kids, preys on stupid, naive women in order to try to take other people's kids from them. Beware of him as he makes threats, calls police with fake accusations, and then runs and hides like a girl!!!"

First thing, I'M looking at "this man" and I don't prey on stupid, naive women lol. Pretty sure none of us do. Maybe what you meant to say was that HE preys on them. I'll go with that.

Second thing, Who is this stupid, naive woman, and why are you insulting her so much? Seems rude.

Third thing, running and hiding doesn't have to be an activity strictly limited to girls, but there are many who do it very well. There are Olympic events for those people. Not sure where the insult is here...

The Hudsons don't PREY on anyone. I'm not sure that they're religious, so I don't know that they'd "pray" on them either 🤔. They are good people. They are sane people. I'd trust a call to the police from the Hudsons. I know them in real life too; they're not just internet friends. Also, social media tip: You may want to avoid typing in all caps as it alludes to your boomer nature, and other fb users may take advantage of that fact and make fun of you. You may also want to proofread, use correct grammar and fewer exclamation points. All are considered to be red flags and signs of mental instability. ▶▶▶▶▶😬

Get scared?

Found out the truth?

Maybe realized you were wrong the whole time?

Thanks for deleting the other comment you made. It erased the comment Facebook was trying ban me for.

Too bad though.
