Anastia you think if you truly wanted to see your granddaughter.... that you would knock all this poor behavior off & Apologize to Kristina. Then ask her how you can earn back trust, and start respecting her.  
  
Every. Single. Action. You. Make. Is. Toxic.

[Anastia](#) we are 2 peas in a pod ❤️ both making difficult choices to keep our children safe. I bet your next message will be accusing me of being a druggie whor.e 😂 the proof is in the pudding deary. Y'all are just sad because people are beginning to see the abusive behaviors done by that family. Daniel definitely is Brenda's son! Now we know where he learned it all. 🙄

[Anastia](#) honestly. I'm just a bystander reading comments and it's clear to me who the toxic person is here...  
Girl first and foremost brush up on your grammar beforehand... second this is incredibly weird to keep making fake fb to stalk and harass ppl who are CARING and HOUSING your grandchild.  
They are good ppl with nothing but good intentions and here you are showing your colors
